

## **CMD Corner**

### **Happy Independence Day!**

We hope everyone thoroughly enjoyed their 4<sup>th</sup> of July weekend and the HOA's party at the pool. It was certainly another wonderful Chapparral community event!

### **Thanks to Our ACWWA Partner**

Most of us only know ACWWA as providers of clean water to our community. Did you also know they are great partners with the CMD? Yes, the CMD and ACWWA partner on projects and expenses like maintenance on the pool gate and repaving the parking lot. Two years ago ACWWA resurfaced our tennis courts which are on top of one of their water tanks. Their water tanks also support the cell towers from which the CMD receives income. Many thanks to our excellent partner!

### **Pool Update**

Lifeguards and staff at pools in our area are experiencing what can only be called an epidemic of abuse, threats, and even assaults. While we fortunately haven't had serious incidences this summer, our Chapparral pool has experienced similar bad behaviors in the past. The CMD Board wants to remind residents we fully support our lifeguards and staff. Further, we have a zero-tolerance policy towards abusive, destructive, and illegal behaviors. Suspensions from the pool and law enforcement actions will be taken, as appropriate.

What can you do? Follow the lifeguards' directions, obey the rules, and don't share your pool code outside your family. Further, if you witness bad behavior, please notify and support the lifeguards, inform their management at Front Range Recreation (303-617-0221), and if appropriate, call law enforcement at 911. Thank you.
